Evans Dermatology Partners Welcomes Michael Rains, MD

Austin, Texas (December 5, 2014) – Evans Dermatology Partners is pleased to announce that Michael Rains, MD has joined the practice and is seeing patients at its second Austin, Texas office at 3508 South Lamar Blvd., Suite 300, Austin, TX 78704.

“Since I’ve known Dr. Rains for several years, I knew he would be a great fit for our practice,” said Dr. Colby Evans. “He really shares our commitment to both medical excellence and patient service. And the tremendous growth in South Austin certainly supports the need for more convenient medical services.”

Michael Rains, MD graduated cum laude from Baylor University with a bachelor of science in forensic science and earned his Medical Doctorate at University of Texas Medical Branch (UTMB), magna cum laude. Dr. Rains completed his dermatology residency training at University of Texas Southwestern in Austin, Texas, with a special interest in rosacea care and improving teen patient compliance in the treatment of acne. He is Board Certified by the American Board of Dermatology.

“I enjoy developing relationships with my patients, treating each patient as a whole person since the skin is a visible indication of what may be going on internally,” says Dr. Rains. “I’m thrilled to be part of the Austin medical community and could not have chosen a better place to practice dermatology than Evans Dermatology Partners.”

New patients can schedule an appointment with Dr. Rains by calling 512-280-3939 or visiting evans-dermatology.com.
