### **Evans Dermatology Celebrates 8th Anniversary**

**Austin, Texas** (February 24, 2015) – Evans Dermatology Partners, the largest, locally-owned and family-operated practice serving south Austin and Kyle, today announces the eighth anniversary of the practice.

In 2007, Evans Dermatology opened the doors of its first practice location on Brodie Lane in Austin, Texas. Colby Evans, MD founded the practice with a focused vision and purpose - to provide members of the south Austin community with a warm and welcoming place to go to receive high quality care for diseases of the skin.

Today, Evans Dermatology is carrying that vision through to its second and third practice locations on South Lamar and at Kyle Parkway. Each dermatologist and staff member is committed to providing patients with safe and effective treatment for medical dermatology concerns in a comfortable office environment.

“Our continued growth is testament to our kind and welcoming patients as well as the steady growth of our community,” said Dr. Colby Evans. “The last eight years have gone by quickly and we have enjoyed every minute of serving our friends and family. We look forward to many more happy years serving members of our south Austin communities.”
